

# TEACHER WORKSHOPS

Bring history alive with these teacher workshops programs related to our new exhibit, *A Time For Greatness: The 1960 Kennedy Campaign*.

## ★ *A Time For Greatness: the 1960 Presidential Campaign*

June 16, 2016 from 12:30 to 4:30 pm

**Cost:** \$20; Seating for up to 50 teachers

In this workshop, educators will have a chance to see the *A Time for Greatness* Exhibit, sample the TEKS aligned education programs and lesson plans that have been designed to accompany *ATFG*, interact with the Curatorial staff, and tour the permanent exhibit on the Sixth Floor.

This election year experience an exhibit which showcases campaign memorabilia, photographs and film from The Sixth Floor Museum's collection. This colorful look at the 1960 Kennedy campaign offers a timely exploration of presidential politics from a different era, connecting one historic election year to another through the lens of the incredible campaign of the youngest president ever elected.

## ★ *A Time For Greatness: Presidential Elections and Respect*

July 19, 2016 from 9 am – 4 pm

**Cost:** \$20; Seating for up to 50 teachers

This interdisciplinary workshop will pair The Sixth Floor Museum's temporary exhibit, *A Time For Greatness* with Karen Blessen and **29 Pieces'** new program, the **Dallas Respect Project**.

We will tour *A Time For Greatness*, an exhibit that covers the 1960 Presidential Campaign and use it as a jumping off point to discuss changes over the last 15 presidential elections and why teaching respect and compassion are more important than ever. Teachers will learn to facilitate the Respect Project in their classrooms and will take part in the Respect Art Project, which aims to place 25,000 pieces of art around Dallas during the 2016 election season.

**29 Pieces and the Dallas Respect Project** seeks to enhance quality of life in our city by using art to realize the highest social ideals such as respect for all living creatures, social and racial justice, nonviolence and the importance of creative expression.
